

# Media Safety Information

## **Product Name**

IJ Light Textile Transfer Paper 140 matt,  
product code 4234

## **Use**

Ink jet Transfer paper for ironing images.

## **Composition**

Textile Transfer Paper consists of a release paper with an ink jet printable synthetic coating.

## **Health and Safety**

Please refer to the printing instructions which are enclosed to Textile Transfer Paper packages. The ironing should be done in a good ventilated area. When used as intended no health hazard should occur. Take care to avoid possible paper edge type lacerations.

## **Fire Hazard**

Wearing of self-contained breathing apparatus is recommended because, as with organic materials in general, formation of carbon monoxide (CO) and carbon dioxide (CO<sub>2</sub>) as well as other toxic gases (NO<sub>x</sub>) could occur. May produce dense smoke.

## **Storage**

To maintain optimum quality please store Textile Transfer Papers at room temperature in its original packaging.

## **Waste Disposal**

May be disposed of as domestic waste. Disposal in accordance with local, state or federal regulations.

## **Transport and Labelling**

Not subject to the regulations on transport and labelling that apply to dangerous substances.

## **Other Information**

Sihl GmbH is certified according to ISO 9001, ISO 14001, OHSAS 18001, ISO 50001, FSC and PEFC.

Above information is based on our best knowledge and experience, but may not give reason for any warranties or amends.
